

One Brand.
**Complete Electrical
Solutions.**

AVIS INFOTECH PVT LTD

Energy saving to the nation

Lighting | BLDC Fans | Wires & Cables

Modern Electrical Collection 2025–26

We combine **advanced technology, contemporary design, and reliable performance** to offer lighting products that meet evolving market demands.

Designed for modern spaces. Built for long-term performance.

Why Choose Us ?

High energy efficiency

Modern and elegant designs

Long-lasting performance

Consistent brightness & output

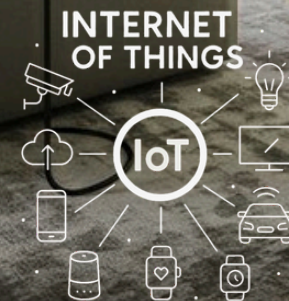

Wide product range for every application

Reliable quality at value-driven pricing

Avis Info Tech is a modern electrical brand focused on delivering high-quality, energy-efficient lighting solutions for residential, commercial, and project applications.

Linear Lights

Modern lighting for architectural and office spaces

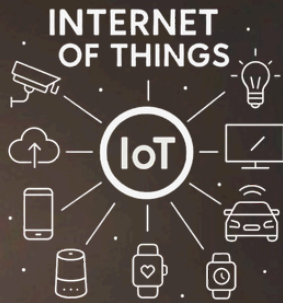

Clean, continuous light lines

Ideal for offices, workspaces, and interiors

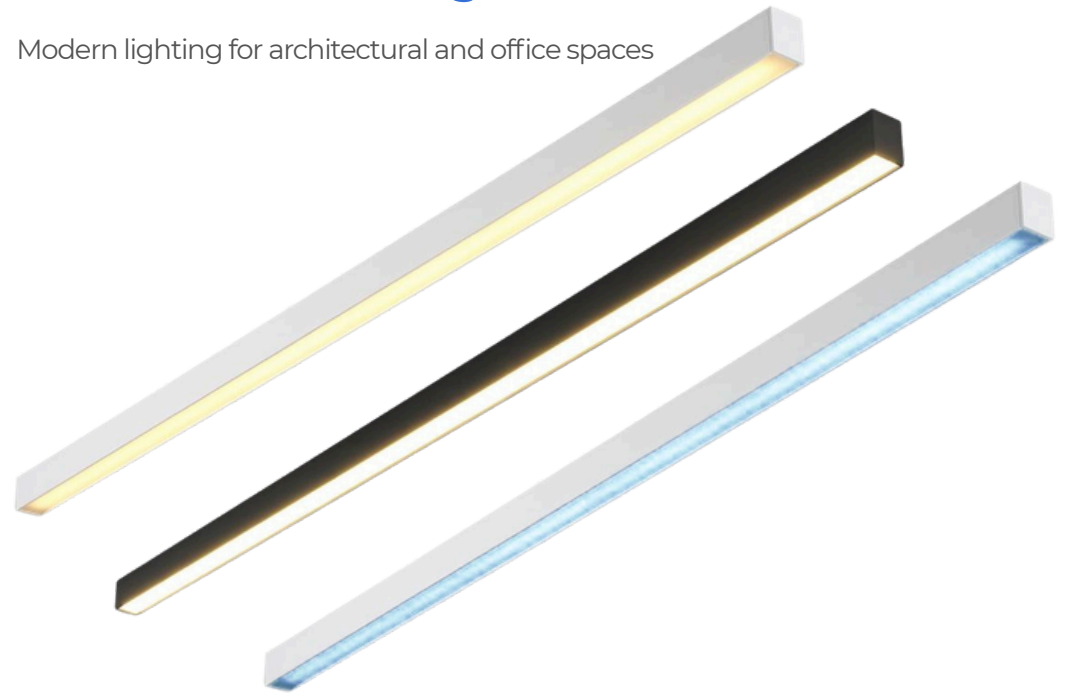

Enhances modern design aesthetics

IoT Based Linear Light

Modern lighting for architectural and office spaces

,12W, 15W, 22W 24W

Panel light

IoT Based Lights

Key Features

- Remote ON/OFF & dimming control
- Motion & daylight sensor automation
- Real-time energy monitoring
- Wi-Fi / Bluetooth / Zigbee enabled systems
- Smart fault detection & alerts
- Centralized lighting management

advanced IoT-based Smart Lighting Solutions designed for energy efficiency, automation, and intelligent control. Our systems enable remote operation, scheduling, dimming, energy monitoring, and sensor-based automation through mobile apps and centralized platforms.

Street Lights

Reliable outdoor lighting for wide-area coverage.

High brightness with energy efficiency

Weather-resistant and durable design

Ideal for roads, societies, and industrial areas

UFO Max

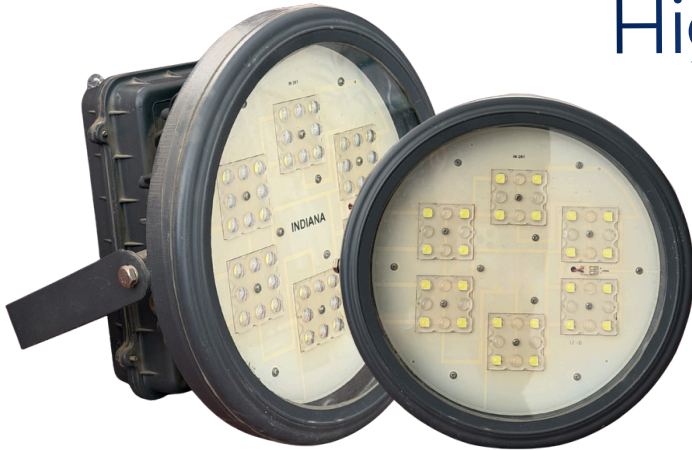

HIGH-PERFORMANCE LIGHTING FOR LARGE SPACES, DELIVERING POWERFUL BRIGHTNESS, ENERGY EFFICIENCY, AND LONG-LASTING RELIABILITY—IDEAL FOR WAREHOUSES, FACTORIES, AND INDUSTRIAL APPLICATIONS.

UFO HighBay

ENGINEERED FOR LARGE SPACES, DELIVERING HIGH BRIGHTNESS, EXCELLENT ENERGY EFFICIENCY, AND DURABLE PERFORMANCE—IDEAL FOR WAREHOUSES, FACTORIES, AND INDUSTRIAL ENVIRONMENTS.

HighBay

ENGINEERED FOR LARGE SPACES, IT DELIVERS HIGH BRIGHTNESS, EXCELLENT ENERGY EFFICIENCY, AND DURABLE PERFORMANCE—PERFECT FOR WAREHOUSES, FACTORIES, AND INDUSTRIAL ENVIRONMENTS.

UFO

COMPACT YET POWERFUL LIGHTING SOLUTION OFFERING HIGH BRIGHTNESS, ENERGY EFFICIENCY, AND LONG-LASTING PERFORMANCE—IDEAL FOR SMALL INDUSTRIAL SPACES, WORKSHOPS, AND WAREHOUSES.

BLDC Ceiling Fan

Energy-Efficient Cooling for Modern Spaces

Our BLDC fans are designed with advanced motor technology to deliver superior air performance with significantly lower power consumption, making them ideal for modern energy-conscious environments.

BLDC Fan

Introducing Smarto

BLDC Ceiling Fan With IoT

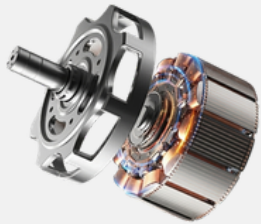

Experience next-level efficiency with our BLDC fans—delivering powerful airflow with up to 65% energy savings. Designed for silent operation, longer life, and smart performance, it's the perfect blend of comfort and innovation for modern spaces.

Sweep (MM)	Power (W)	Input Voltage (9V)	RPM	Air delivery	Power Factor	Surge
900	28	100-300	520	180	0.98	6 kv

TRUE INVERTER BLDC FAN

We are very excited to announce that we are the first time in India introducing a true inverter BLDC fan with a lithium iron battery. That will give you 5 to 6 hours of battery backup. It can give consistent performance even at low wattage and power fluctuation.

5 to 6 Hours of battery backup

8 to 10 hours of charging time

60 watt with battery charging

Powder coated Aluminium die cast body & leaves - No rust

32 watt only with high efficiency BLDC motors

lithium iron battery with 300 life cycle.

Consistent performance even at low WATTAGE and power fluctuation

Smart algorithms implemented to precisely tune the motor in real time

Wires & Cables

Built for Safety, Reliability & Performance

We manufacture a comprehensive range of high-quality wires and cables, from single-core 1 sq. mm to multi-core (up to 6 core, 6 sq. mm). Designed for safety, durability, and efficient conductivity, our products ensure reliable performance across residential, commercial, and industrial applications.

High conductivity copper

Heat and fire-resistant insulation

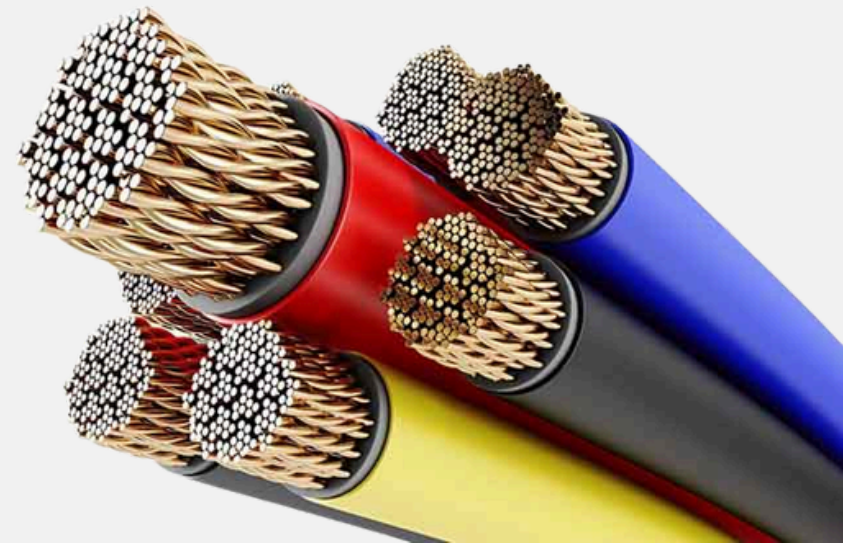

Durable outer protection

Long operational life

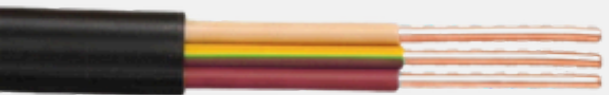

Reliable performance across applications

Wires & Cables
